Internet Access and Confidentiality Agreement

As a healthcare professional with Internet access to the medical images and reports from Northeastern Pennsylvania Imaging Center, you have access to what this agreement refers to as "PHI" (Protected Healthcare Information). The purpose of this agreement is to help you understand your duties regarding Internet access to this PHI.

PHI includes; demographic information, medical images, summary images, Radiologist voice clips, and Radiologist-approved reports. You will access this information through your computer or office network. PHI is valuable, sensitive, and is protected by law and by strict HIPAA guidelines. These laws and guidelines assure PHI remains confidential and necessary only for providing authorized patient care.

As a healthcare professional, you are required to conduct yourself in strict conformance to all applicable laws and HIPAA guidelines governing PHI. Your principal obligations are explained below. You are required to read and complete this agreement, and then submit it to Northeastern Pennsylvania Imaging Center in order to gain access. Once access is established, you are required to abide by these duties. Violation of these duties may result in termination of access and legal liability.

Accordingly, and in consideration of your access to this PHI through the Internet, you fully understand that:

1. Your access to the PHI from Northeastern Pennsylvania Imaging Center is only as needed to perform your legitimate duties as a healthcare professional.
2. A unique and confidential login and password is arranged by Northeastern Pennsylvania Imaging Center to grant initial access through the Internet. You are able to change your password at any time.
3. You agree to safeguard your unique and confidential login and password and accept responsibility for all activities undertaken.
4. You cannot share, lease, or sell your login and password to any other person, entity, or organization.
5. You have no right or ownership interest in any PHI referred to in this Internet Access and Confidentiality Agreement.
6. Northeastern Pennsylvania Imaging Center reserves the right to monitor the activity of all healthcare professionals granted access to the PHI explained herein. Northeastern Pennsylvania Imaging Center may at any time revoke your access if a violation of this Internet Access and Confidentiality Agreement occurs.
